KATIE

Katie blew the winter cobwebs away with a trip to Ibiza. We're feeling a bit long in the tooth for all-night drugs and dancing, but it was sex Katie went searching for – and found by the spade and bucketful. "There's something about the Brits abroad that I really fancy. Everyone looks so much better oiled up on a sunny balcony in San Antonio than in a gloomy pub in Macclesfield. So who needs drink and drugs?"

Handy Cock

My neighbour Mark is a handyman by trade, and last week I got him round to put up some shelves in the spare room.

I went and made him some tea. My husband was away, and I couldn't stop myself thinking about getting a cock up me.

Mark sat on the bed to drink his tea. I sat down next to him, and decided to go for the obvious

nice and thick, and growing by the second.

I stuffed it into my mouth and started to suck him off. I rolled my tongue round his shaft until his cock was as stiff as a board.

Then he pulled his slippery cock out of my mouth. He lifted me up by my arms, turned me round and bent me over the bed.

I couldn't wait to feel his fat cock stretching my moist cunt, and I stuck my arse out invitingly.

He rubbed his helmet around my hole before easing his fat head in. It felt fucking great as he slowly inched his dick into my warm pussy.

When he was in up to his nuts, he pulled out and began fucking me with long deep strokes that had me moaning loudly.

I must have cum ten times before he pulled out and shot over my arse. I've found loads of excuses to get him round since then!

Marian, Herts.

Putting my hand on his knee, I told him in that I wanted to fuck him. I then slid my hand up his thigh towards his cock, and he didn't attempt to stop me.

He stood up and I unzipped his jeans and pulled out his cock. It was

Pussy Juicer

I'd never fancied other women until I started seeing Kevin, who's got a real thing about lesbians. He loved wanking off over girl-on-girl videos and magazine layouts and, while I still didn't find it a turn-on myself at first, I knew I'd get the best seeing-to after he'd been watching it, plus it was always horny for me to see him wank his cock as he watched it.

The first time I found my pussy getting damp over

a lezzie set-up was when he bought a new video. The main girl was just so gorgeous - little, blonde and a bit cheeky with a curvy little arse and the sort of tits any woman would kill for.

You'd get close-ups of another woman tonguing her cunt or fucking her with a dildo, then the camera'd switch to her face, how she looked when she was cumming. She wasn't faking - she'd flush pink all the way

mouth and her moans had to be the real thing.

We found a lookalike through contact mag ads. Naomi was 24, but looked about 18.

You should have seen how she dressed – the first time she came to our place she took off her long coat, revealing a little pale-pink tennis outfit – crop top, pleated miniskirt, ankle socks and brand new white plimsolls. She hadn't worn a bra, so her little boobs were jiggling all over the place.

She knew Kev just wanted

to watch at first, as she and I messed around and fucked each other. She came over and straddled my lap, snogging me and making a mess of her pink lipstick.

Immediately I slipped my hands up inside her top, so I could play with her luscious little tits. She started rubbing herself against me, so I reached down and got my hand inside her knickers, feeling up her slit before I peeled them down and off her. She was soaking wet and as I slipped three fingers up her, she started grinding against my hand, her juices

she reached back – and my tongue rammed up her hole.

Kev asked if he could he cum over her arse and she was well up for that. I always know when he's about to shoot and he pulled out, then moved round. He spread her cheeks, pulling them wide apart with his hands, then moved his

trickling out, soaking me down to my wrist.

I pulled my fingers out, desperate to taste her. "Sit on my face," I said, and she did, her cunt dripping juices onto my lips even before I'd had a lick.

I was a bit surprised when I felt Kev get between my legs and push his cock up my cunt – I'd have thought he would have gone straight for a blowjob from Naomi. Actually, he just wanted to screw me while he stared at her arse. "That's it, part your cheeks," he said, as

cock up to her arsehole. Next thing I knew his spunk was spurting out, showering my face and trickling down her crack so I could lap it up.

As I sucked her to orgasm Kevin used his hand to finish me off, so I was cumming around his fingers as her pussy clenched tight around my tongue. And I just kept

on fingering her clit until she couldn't cum any more.

We've seen Naomi a couple of times since, but now we're looking for a couple. I get turned on watching Kev pump some cute woman's pussy – especially after I've licked it – but now I'd like a bit more cock in the mix, too...

stiff competition

Hosted with panache by comedian Russell Kane and TV personality Luisa Zissman (above), the 2014 Paul Raymond Awards ceremony has become notorious for its boobs-out bad behaviour. But we most enjoyed the Lifetime Achievement award (sponsored by Suit Yourself Suits) which was gently lowered into the nicotine-stained, trembling old hands of legendary snapper Steve Colby (left).

WINNER'S PEACH

Randy dandy Dave Beecham walked away with the Best Photographer runner-up award (and three lovely ladies by the look of it) and put his plaque (sponsored by Pervlens Media) to use the very next day in a shoot!

Stella
topless

Dear Julia

I've seen a fair bit of Stella Cox in recent magazines (yours and others) and she never really did it for me until your last issue (vol 34 no 13). Wow, is she looking fuckable! She looks really toned, like she's been down the gym, which is how I like 'em, but she's still got that next door girl cuteness and massive bouncy tits that are just begging to be spunked all over! I'll be following her with interest! JP, Lancaster.

Julia says: Stella was proud of her perty little parade as well, and sent us this selfie! Then I had a little selfie over her!

DEAR JULIA

Dear Julia

How fucking sexy does Brook Logan look in a Cinderella costume (vol 34 no 13) - well, two of them actually, and then none! She's my favourite girl by a mile but seeing her as Cinderella made all my fantasies about worshipping her, and obeying her every whim, which will hopefully involve fucking her! Ronny, Walsall.

Julia says: As you will see elsewhere on this page, Brook won the Escort Cover Girl of the Year award last month, as voted for by you! We just hope this and the princess outfit doesn't go to her head and she'll still come back for one of her famous nude wriggles on the editor's, er, chair.

Dear Julia

Loved busty Sophie in her Santa outfit (vol 34 no 13) talking about party games like Ker-Spunk. My sack was bulging! Malcolm, Newcastle.

Julia says: I'd certainly take Santa Sophie up the grotto!

REAL WIFE SEX

Emma, W. Mids

A bit of rough gets his bit of muff in builder Kenny's true story...

KNOB THE

I work as a builder on a construction site. As it's in the middle of town we get a lot of fit women walking by, but we're banned from making any comments or wolf-whistling. Fair enough, I suppose, but it at least we're still allowed to look!

The other day, I was guiding a lorry reversing on to the site when a very cute blonde walked past – cute enough that she looked sexy as fuck even in thick leggings and a big coat!

I risked giving her a smile and wink –

and she strutted right up to me and said she reckoned she was worth a lot more than that! I politely answered that if I told her what was really on my mind it would get me fired!

OK, she said, then I could make up for it by taking her for a drink when I knocked off. I took the hint and met her at a bar that evening.

Her name was Emma and this time she was wearing a short tartan skirt, skimpy black top and pumps. And after a swift couple of drinks, she said with a wink

that we should go back to mine.

She liked what she saw inside the flat – I've put a lot of work into doing it up with clean, modern lines. She thought it was really sexy, not what she'd expected at all, she said, as she stroked her hands over the smooth walls.

"Had me down as just a bit of rough, did you?" I asked and she grinned and nodded.

She obviously knew what she liked, so I let her take the lead when we started snogging on the couch. She undressed

me, openly ogling my body, got naked top, then started to go down on my hard cock. My helmet was swollen up like a plum and I groaned as she licked around it then dipped it in her mouth.

She was obviously an expert, fucking the top half in and out between her lips as her hands took care of my root and balls. So I just went with it, waiting until my cum had fountained out in her mouth before saying that, really, I should have gone down on her first, to make up for just giving her that wink.

She slithered up, spunk dripping down her chin and her breath smelling of it, then said into my ear, "Fuck me good and hard. That'll be apology enough."

She got foreplay first – I honestly am a gentleman! – three fingers pumping in her cunt as her hand worked on my cock. Then, almost the second she got me hard, she straddled me, sinking down so I felt my tip thud up against the top of her pussy, and my balls squash up against her arse.

She was bouncing, shoving her tits

in my face, then squealing as I grabbed them in my hands. She liked the feel of my calloused skin on them, and the rougher I treated them, the tighter her pussy clamped around my length.

Suddenly, I stopped thrusting and pointed out that she was fucking me, letting me fuck her. So I pulled out – got another quick sucking as she tasted the juices off my knob – then I had her on all

SATINE

**TOUCHDOWN
ON MY TITS!**

The NFL are thinking of setting up a permanent London-based team – just in case us Brits were worried we didn't have enough Yank crap bunging up the works: Black Friday, gun crime and endless re-runs of Friends. We might look more kindly on these wife-beating, steroid-added bladder-chuckers if the game wasn't so dull so we commissioned Satine to see if she could spark a flicker of interest in American football. We think she's just about pulled it off. Now if she could do the same to us!

SHOE THING!

There are three things that get girls excited – chocolate, shoes and sex. So gorgeous Yorkshire lass Jenny was in seventh heaven when we unveiled the Escort shoe cupboard, chucked her a Dairy Milk and told her to get naked for our readers. “Oooh, these ones are nice. I feel so horny wearing nothing but heels and stockings and love to wank my fella’s cock off using just my feet. I used to work in a shoe shop when I was young. I’m just glad all those bunions didn’t put me off!”

Back Door Fun

My man, Andy, calls me his little anal fiend. Not the most romantic name, but it's a fair one. He taught me to take a cock up my arse, taking ages over lubing and opening me up

while his other hand played with my clit. It was like I couldn't stop cumming – as soon as I came down from one orgasm, my cunt and arse would go all tight and tingly again, and I'd feel myself

first, and now it's my favourite kind of sex. I don't know why, but I always seem to come quicker, and much harder, when I'm being screwed up the arse.

A few weeks back we were having a long, slow fuck. I was sat on Andy's lap, facing forward, with my legs stretched out on top of his, so his prick was buried

ANDY PARTED MY LABIA WITH HIS FINGERS SO MY HOT JUICES WOULD JUST DRIP OUT

to the hilt in my backdoor. He didn't thrust, just moved his hips and stirred his prick around inside me. Meanwhile his hands would either be cupping my tits, pulling on my nipples, or he'd have a couple of fingers up my cunt

going into spasm. Andy'd part my labia with his fingers, so my juices would drip out of my hole to soak his balls.

When I was all cummed out and crashed out against him, unable to move – he rolled me gently onto my stomach and

started fucking in and out, until he was flooding my arsehole with spunk. It was the horniest feeling – Andy lying over my body, his naked chest against my back, all warm and slightly sweaty

one, up my arse. I must have looked a bit surprised and he said he couldn't believe I'd never heard of anal beads before.

I've got loads of other sex

from cumming. And of course his big cock was still buried in my arsehole, his balls all bunched up against my cheeks.

One week he came home with a sexy surprise for me. We stayed in, had a couple of drinks and took the phone off the hook, Andy giving me a bit of a massage which concentrated on my bum. My arse was all oiled up and ready for his cock, but instead he got out a string of seven big round beads with a little handle on the end, which he slipped, one by

toys, though, and he got out my biggest dildo and a vibrator. There's something really horny about when he uses them on me, like playing doctors and nurses. He always acts really cool, like it's all about me and doing absolutely nothing for him, but he can't hide the hard-on it gives him.

He had me open my legs wide – just moving with the beads inside my arse gave me a little orgasmic twinge – and, when he slipped the dildo inside, I felt it rub against them. He fucked it in and out, really slowly, then switched on the vibrator and held it against my clit.

Instantly my hips began to buck. I reached up and started playing with my nipples – Andy loves seeing this – but it was too much. A couple more seconds would have sent me right off the scale and what Andy was doing to me felt so good I wanted it to last as long as possible. That wasn't

long, mind – I started whimpering that I was cumming. I was clenching around the dildo – it was jerking against his hand. Next thing I knew he'd grabbed the handle of the beads and started pulling them out of me, one by one. I nearly hit the ceiling it felt so incredible. All the while he was touching the vibrator to my clit – it just felt so intense.

Once I'd finished cumming, he eased his cock inside my snatch – I wasn't sure I could handle it, I was so sensitised from what he'd been doing to me. Once he was in, though, I started

tingling all over again, my hole rippling around his shaft just before he pulled out and moved up so he could finish off all over my tits and face.

Janine, Tonbridge.

NESTY

Nesty's getting nasty in her kitchen! The 21-year-old from Barnsley is getting ready for a night out and puts her clothes through their paces. "I need everything to come off nice and easily. I wear no knickers on the dance floor and flash my bits to get attention. It also means I can get fingered discreetly while boogying. My favourite position is doggy – preferably somewhere really rough and ready, like in public loos, on the top decks of buses and in parks. The thrill of getting caught turns me on!"

Saffy

It's one in the pink and one in the stink for kinky, inked Saffy – if she can track down a suitable pair of fellas to make her airtight. "It's easy enough to find one bloke that I fancy, but two of them who don't mind their balls knocking together – that's a bit harder!" Like we are now, Saffy. "If there are any randy readers out there who have a fit friend and would like to plug me, maybe they could let *Escort* know. Even if it doesn't work out, I'll be able to have a good wank over the pics!"

Lottie

We swear we can hear that famous Led Zep riff when Lottie walks into the room – she's that hot. And we're not the only one that thinks so. "My boyfriend loves me but he's admitted that he fantasises about me having sex with my ex," she confesses. "My ex is a bit of a stud, my current boyfriend isn't, so maybe he wants to see how to fuck me properly. Or he just gets off seeing me squirt all over another man's thighs and prick. I'll find out later tonight when they're both coming round..."

Anal Virgin

I'll admit that knobbing my best mate's girlfriend was probably the lowest thing I've done in my life, and writing in to you blokes about it probably makes it even worse, but keeping it to myself is half-killing me!

chance he might come back that night. "No way," she said, so I told her to make sure the door was locked.

She came back grinning, snogged me and laid back, pulling me on top of her. I already had a raging boner. Good thing too, as I'd need to be hard to get inside her tight virgin arse.

We had a straight shag

CONTACT ME

I turned up at their flat, forgetting my mate had gone away for the weekend. Julia, his other half, was there, though, and offered me a quick beer. I ended up staying

first – if you're going to mess around like that may as well make the most of it – and Ju had shaved her lush little pussy earlier in the day, which

I SCOOPED THE SPUNKY JUICES OUT OF HER PULSING CUNT

to watch a video and share a pizza when things started getting a bit suggestive.

At one point she asked me about anal sex and if I'd ever done it – because, she said, my mate really hated the idea. I told her how one girl had really loved it and Ju seemed to be turned on by the idea. I could tell she was desperate to give it a go.

I finished my drink and asked her was there any

just made fucking it even more of a thrill.

When it was finally time for me to have a go at her bum, I spent ages over playing with it, getting her relaxed. She didn't have any lube and so I scooped the spunky juices out of her cunt and smeared it all over my prick and her arsehole.

I took things slow and gentle so I didn't actually have any trouble getting

lap, sitting back on my prick. Then I started playing with her

clit. Instantly, she started moaning as I caressed her nub. She came so hard I had to hold her steady, the juices pouring out of her unplugged pussy to soak my balls.

I'd have happily pulled out then and there, even if it had meant finishing myself off with a wank, but Ju said she wanted the whole experience, she wanted to feel a warm, thick load of spunk shoot up inside

inside her. I had her tense herself against the head of my prick, then relax so I suddenly slipped in. She gasped as

her arse. I got her on all fours again and started thrusting, holding her by the hips. When I came it lasted ages longer than normal, jet after jet of spunk flooding out

I went through her ring, then moaned as I moved deeper inside her. I just stayed deep, not thrusting so she'd get used to the feel of my big prick filling her arse. I've never had such a tight fuck in my life.

I pulled her back so I was kneeling and she was on my

into her tight hole. When I pulled out, the sight of her arse slightly opened from the size of me and dripping my cream down over her slit almost got me cumming all over again.

It was a mind-blowing night all right!

ONE NIGHT SLAMMED!

"My husband wonders why I've become so sexually voracious recently," Tracy (30, from Nuneaton) tells us. "I've never told anyone else this before but I had a one-night stand with his mate a few weeks ago. He had the biggest dick I'd ever sucked – it hurt my mouth slurping on it. He had the biggest load ever as well and he sprayed it all over my face. Then he fucked me hard till my legs were shaking. I didn't know that he'd been filming me until he sent me the file the next day. Now before I go to bed I watch the film in the bathroom on my phone!"

My first punt

Right.
Fuck it.
I've not
got laid in
2 months
and I've had
enough. My
balls are going
to explode. I'm not
a bad looking guy,
just in a dry patch. And
I want to be in a wet
patch :)

So, I've decided to see a
'working girl'. I know. Who pays
for it? Well, we all bloody pay for
it, just not always up front!

Think about it. I've taken about
10 girls out on dates in the
last 2 months and not got laid
once. Each date costs about
£150 quid when you factor in
cabs, drinks, dinner etc. So I've
probably dropped £1500 and
not emptied my sack.

If I'd used a call girl, I could have
had about 10 fucks for the same
price.

I googled 'escorts in surrey' and
found vivastreet.co.uk. They
had loads of girls on the site
in my area. I browsed through
a few and found a 21 year old
bombshell called Luana. I called
and booked an hour with her.
Just like that.

Shit. I was going to see an
escort. WTF!

I took a few deep breaths and
realised that I wanted to get
laid and she was a pro sex
worker. I needed to calm down
and prepare to enjoy myself. I
had a couple of hours so I took
a shower, shaved my balls,
trimmed my nails, and gave my
johnson a thorough clean. It
was sparkly. You could eat your
dinner off my bell end.

After a quick trip to the cash
point to get out the paperwork,
I headed off in the direction of
her flat.

She let me up and was standing
there, in the doorway in
lingerie. She looked stunning.

My old man started twitching
as I walked into her flat. It was
clean and ordinary looking.

Ikea stuff. She asked
if I wanted a shower,
I'd said I'd just had one
so I asked her about
what was included.

Seems everything! She
was a game girl and offered
a Girlfriend Experience (GFE).
This meant I could kiss her,
touch her, cuddle and all that
stuff. I could get a hand and
blow job and full sex for the
£100. If I wanted oral without
(OWO) a condom, that'd be
an extra score and if I wanted
to cum on her face that'd be
extra too. But I didn't want any
of that. Wanted to make sure
my cock was wrapped up at all
times.

Negotiations completed, I
handed over the reddie and
she offered me a drink. And
then, well, then I got laid. And
it was fucking brilliant. She
sucked me off and let me fuck
her in a variety of positions and
I needn't have been worried
about my lack of tactical wank. I
lasted just fine. Ended up doing
her doggy style when I finally
shot my load deep inside her. I
collapsed, slightly out of breath
with a massive grin on my face.

My first time with an escort, but
definitely not my last. TBH in
the cab on the way home I was
back browsing vivastreet.co.uk
looking for my next girl! This
could be fun, and a darn sight
cheaper than all those dates
where I end up not getting laid.
If you've not punted before,
there's loads to choose from
on vivastreet.co.uk - go and
have some fun! There's 1000s
of escorts on there, all over the
UK. Remember, a WG is cheaper
than a real date!

REAL WIFE SEX

Emma's story continued from page 19

things up, splaying her cheeks and licking her crack and arsehole. I dribbled plenty of spit on it, used my fingers to work it in, then slipped my hard-on inside.

This time she seemed to want it deep and sexy. I began slowly grinding my cock in and out of her ring as she lay face down with me crouched over her, hands underneath groping her boobs.

Her talk was still as dirty as ever, salted with my spunk, and as she told me to fuck in deep, my balls rubbed up and

fours and rammed back in.

This time, I set the pace. She was banging her bum back against me but my dick was hammering hard inside her. She was moaning, letting out little screams, then dropping her shoulders so her arse was stuck right up in the air.

The tension was building in my nuts, so I barely realised she was talking to

She begged me to pull out of her cunt and give it to her up the arse instead

me, not whimpering with pleasure. She was begging me to pull out of her cunt, and give it to her up the arse instead.

The spirit was willing, but the flesh was too far gone, Emma's snatch tightening its grip around my shaft and the bulbous end. I'd hardly withdrawn an inch before I started cumming – the best she was getting for now was a couple of shots of hot spunk on her ring.

I fingered her off again and we collapsed for a while. Then I picked

down against her wet labia and I spurted inside her arse. The force of my orgasm sent her over too.

She said she'd look out for me when she passed the site, but it was a couple of days before I saw her. I was stood at the entrance with the boss when she walked past, gave me a big, dirty wink

and said, "Show us that big dick of yours, then..."

I didn't tell the boss the truth behind the situation – he took her for some fit but possibly deranged woman! But my cock made her pay for it the next time we got together. And the time after that – she's too dirty a girl to kick into touch after just a couple of shags! **6**

A large photograph of a woman with long red hair lying on her back on a bed. She is wearing a blue bikini top, white lace underwear, and white fishnet stockings. She is holding a silver microphone to her mouth and appears to be singing. The bed has a patterned coverlet with vinyl records. A vinyl record is also visible on the floor next to her.

Sabrina

We're used to girls making ear-splitting noises — Sabrina just starts belting them out a couple of hours earlier than most. "A night on the sauce at the karaoke is my idea of a good time," confesses the 23-year-old. "Impress me with your own performance with me later. I'm really vocal and certainly don't need a microphone in bed!"

Gone for a song

I've had my best shags with girls on the rebound. Alison was in this situation – and wanted to mark her freedom from a shag. I was waiting for a train, when she asked what I was listening to. I told her and she said she'd fucked her ex to it once – and he'd finished before the song had!

That was a challenge. She gave me her number and I got so hard thinking about what I'd like to do with her I rang her at lunchtime to fix a date for that night. "Just come round mine after work," she said, which virtually had me creaming my jeans.

All she was wearing when I arrived was a bathrobe. She had the CD primed and ready as we flopped down

on her bed. I tried to play it cool, moving back a couple of tracks, saying that I thought some foreplay might be good.

I went down on her and knew instantly her fingers had been busy: her clit was all puffed up, pink and slippery and her cunt was swimming with creamy juices. She seemed to like it best when I sucked her bud and fucked her with three fingers.

The song started so I slipped my cock up Alison's cunt. I paced myself, not easy when you've got a gorgeous, horny woman grinding her sodden, tight pussy

against your groin. If I slowed down, trying to hold back, she'd dig her heels into my arse and run her fingernails up and down my back. I just ground down harder, letting her take more of my weight, my hips parting her legs as wide as they'd go.

She came before the end of the

song and I carried on screwing her, burying my face in the crook of her neck so she couldn't see me grit my teeth as I strained to hold back. Finally, I thought, "Fuck it...", so I arched my back, plunging in deep, as I shot my load.

She clamped her legs around me, holding me inside her. Then she whispered that she was going to suck me clean.

Sun, Sand, Sex

Over the past couple of summers I've worked as a seasonal holiday

this one girl, Sammy, a saucy Brit babe. She was as sexy as fuck and obviously loved showing off her body.

A bit of a poser, but in a nice way, and laughed her head off when one of her mates grabbed a slice of watermelon from the buffet and started rubbing it all over her body. Then all hell broke loose as all the other girls

I waited until Sammy was alone, which didn't happen often and asked her if she wanted a couple of drinks on the house. She did, and I led her off into a staffroom. I poured her a couple of

joined in – worse, she fell over, and ended up on all wet and sticky and covered in sand.

I went to check she was okay and sprayed her with a hose someone had set up outside a nearby surf bar.

fingers of rum and a splash of cola, which she downed in one, and I tasted it on her tongue as she stuck it in my mouth. "You don't have to get me drunk," she said, and before I could answer she'd dropped onto her knees and got my cock out of my shorts.

She started gobbling away,

taking me right down her throat

I reached down and slipped her dress straps off her shoulders, so I could watch her full tits wobble as her head bobbed in my crotch.

Right away, she wrapped

rep in Spain.

Everything was more sexed-up than ever this year with topless contests.

The audience really loved

Her tongue flicked over my helmet, lapping up her own fuck juices, but I soon got into what she was doing to me. I don't remember going soft –

– she wanked me against her tongue, her hand squeezing tight as my shaft slipped in and out of her fist. And I just went with it – I didn't try to

she started sucking my prick, her nails scratching gently at my balls as she sucked and licked my helmet.

hold back. She knew when I was cumming and she moaned with pleasure around my prick, letting the first jets of my spunk explode over her tongue, before pulling away to take the rest on her face and tits.

How anybody could chuck a dirty bird like that is beyond me!

her hand around my shaft and started stroking the head of my cock, all soaked with her spit, over her boobs, tapping it against her nipples to get them harder. She

slipped it back in her mouth to keep me on the boil as she reached in

between her legs, spooning out a mass of juices with her fingers. She slapped this on my shaft, then shoved her tits together around it.

It was such a tight, horny wank, Sammy kneading her soft, firm flesh around my hard-on. My love-eye was oozing wet and she couldn't resist lapping it up.

"Want me to spray you again?" I asked. Sometimes it's better to keep your gob shut, and Sammy closed hers around my prick.

I spurted my entire wad into her mouth, and she let the lot of it pool on her tongue, as I saw when I pulled out.

She looked so gorgeously dirty sat there with her well-fucked tits out, stretching little strings of cum from her mouth and rubbing them over her nipples. Amazing fuck and a summer to remember.

Porno Night

I'm writing to tell you about what happened to me one night, after an evening out with my husband Kenny and a friend of ours called Frank.

Kenny invited Frank back

after this and the three of us were very soon naked. I sat on Frank's cock and started to bounce up and down while Kenny stood next to me and started to fuck my mouth.

I was in heaven being well and truly fucked by a cock at both ends. Frank was the

first to cum, filling my cunt with thick spunk.

I screamed with the pleasure of my own orgasm, swiftly followed by Kenny filling my mouth with hot, salty love juice that I eagerly and quickly swallowed. For the next three hours I was fucked non-stop at both ends by the man I love and the man I had always wanted to fuck.

I love being fucked at both ends at the same time, but the highlight of the evening was

SANDY, LANCS

HIS TONGUE WAS DEEP INSIDE MY DRIPPING CUNT

to our house to watch porn.

We were watching one with a woman being fucked by two men. I looked at Kenny, who had his cock in his hand and he told me to suck it so I slowly eased his cock to the back of my throat. Frank looked over and Kenny told me to get Frank's cock out and suck it to.

I eased his pants down and taking his lovely thick hard cock straight down my throat. Frank moaned and started to massage my tits.

Kenny came over and also started to play with my tits as I sucked Frank and began to wank Kenny's cock. I then went back to sucking Kenny while Frank lowered himself to the floor and lay on his back. He pulled down my knickers then buried his tongue deep inside my dripping wet cunt. Things moved very quickly

having Frank's cock buried deep inside my cunt while Kenny fucked my arse. That made me cum over and over.

I received three lots of cream down my throat that night, and two lots up my cunt.

What a satisfying night to remember.
